

U.S. BATTERY'S WORLDWIDE OEM APPROVED PARTNERS

At **U.S. Battery Mfg. Co.**, we pride ourselves on providing our OEM partners with dependable products and reliable support information that will allow each end user to feel confident they've made the right choice when using any of our world-class deep-cycle flooded lead acid and AGM batteries.

With a history of excellence spanning from our humble beginnings in 1926 to the present, we feel confident that the industry's trust in us is backed up by our products' unmatched performance. We offer a variety of power solutions to a wide range of applications and industries all backed by a solid worldwide warranty.

You can depend on all of our American made deep cycle batteries specifically designed for golf carts, floor cleaning machines, lift and access, marine, RV, solar power systems, as well as anywhere else high quality deep cycle batteries are used.
